

# PRE AUDITION INFORMATION

**Thank you for showing an interest in the Northern School of Performing Arts production of Shrek the Musical! We would love to have you join our cast!**

To audition for our show you must be an enrolled student at Northern School Of Performing Arts. Note - this is not the case for Adult cast members.

For all NSPA Students that audition - everyone is successful in joining the cast - it is a matter of where the creative team cast each person.

## **Just a few important things to know before you audition..**

### **Rehearsals**

As is the case for any show, it is a large commitment. All our rehearsals will be held at our Coast studio on Thursdays and Saturdays. Not all cast members will be needed for every rehearsal but rehearsals will become more frequent when getting closer to show time.

We will also be holding rehearsals for the FULL CAST during the first week of the July school holidays. These will be late afternoon rehearsals.

Of course we know that weekends away, other shows and parties etc come up every so often, however we ask that due to the scale of our production and the rehearsal time allocated that cast members choose their other commitments wisely as there may be clashes. If cast members are away frequently and it holds up the rehearsal process it may result in cast members being removed from some items in the show and in severe cases removed from the show.

### **Show Dates**

Centrestage Theatre  
2nd - 5th October

### **Registration for the show**

To register for our show it's EASY - just click on this link and you are in!

Please note you will also find audition songs you will need to know on the day under this link.
