2022 PROGRAM

Our 2022 daily running will consist of one ballet class, either a PBT or Suna Pilates session, two sometimes three jazz technique classes as well as acrobatics training.

Our jazz technique classes will be focus specific to ensure dancers are developing and progressing at the fastest rate possible. Both training as well as strengthening exercises & drills will be incorporated into these lessons.

To gauge and track students progress, full time students will be involved in end of term assessments. Term One & Three are internal assessments & Terms Two & Four are external assessments .
