

WHY UNIFORM IS IMPORTANT

REASONS FOR HAVING A SET DRESS CODE

Uniform is an important aspect of a performing arts school, as it shows a sense of respect and responsibility, creating a fair and even learning atmosphere within the class environment.

Uniform also allows everyone to perform to the best of their abilities - students can move freely, staff can easily see body alignment and safety comes first as the attire is appropriate for the class.

Uniforms will be enforced in class - please show respect for your tutors and studio by coming to class appropriately dressed and ready to learn!
